INDEX

Academies. *See* High schools (private).

Administrative officers, city school systems, 80-93; State school systems, 43.

Aggregate attendance, city school systems, 94-115, 123-147.

Anemic children, city school systems, 148.

Attendance (State school systems), colored schools, 71-72; percentage, 64-65; white and colored pupils, 69.

Average daily attendance, city school systems, 94-115, 123-147; State school systems, 40.

Average school term (days), city school systems, 94-115.

Benefactions, universities, colleges and professional schools, 306-307. *See also* Gifts and bequests to education.

Blind, city school systems, 149, 156-159.

Blind, schools, 695-706.

Bonds and sinking funds, city school systems, 266-286.

Buildings, city school systems, 94-115, 293-294; State school systems, 46.

Capital outlay, city school systems, 16-17, 246-264; State school systems, 60-61.

City school systems, administrative officers, 80-93; aggregate attendance, 94-115, 123-143; attendance, 287-294; average daily attendance, 94-115; average attendance, elementary schools, 123-143; average school term (days), 94-115; blind, deaf, feeble minded, and incorrigible, 156-159; bonds and sinking funds, 266-286; buildings, 94-115; capital outlay, 246-264; continuation schools, 166-169; colleges, 163-164; cost of instruction, 79; crippled children, 150; day schools, 16-17, 73-75, 94-115, 227-245, 287-294; deaf, 151, 156-159; elementary schools, 123-143; enrollment, 94-115; enrollment, elementary schools, 123-143; enrollment, secondary schools, 123-143; evening schools, 170-181; expenditures, 76-78, 80-93, 516, 517; expenses, 208-226, 246-264, 266-286; gifted children, 153; incorrigible children, 154, 156, 159; junior high schools, 144-147; kindergartens, 116-122; mentally defective, 152-153, 156-159; night schools, 75, 287-294; normal schools, 163-165; nurses, 86-93; part-time schools, 166-169, 287-294; personnel and property, 476; physicians, 80-93; plants, 60-61; principals of elementary schools, 123-143; property, 266-286, 516-517; receipts, 76-78, 187-207; receipts and expenditures, 477; sessions, 515; special schools, 145, 152, 154-155; students, 515; summer schools, 75, 182-187, 287-294; superintendents, 80-93; supervisors and principals, 73-77, 94-187, 123-143, 287-292; supervisors of elementary schools, 123-143; taxation, 266-286; taxation and values, 78; teachers, 73-77, 94-187, 287-292; teachers of elementary schools, 123-143; teachers of secondary schools, 123-143; trade schools, 162, 166-169; transportation of pupils, 80-93; truant schools, 154; tubercular children, 155; vocational schools, 160-162. *See also* High schools (public); High schools (private); Negroes.

Colleges, city school systems, 163-164. *See also* Universities, colleges, and professional schools, 295-455.

Consolidated schools, State school systems, 46.

Continuation schools, city school systems, 166-169.

Correspondence courses, universities, colleges, and professional schools, students, 313.

Cost of education, city school systems, 79; State school systems, 64-65.

County normal schools. *See* Normal schools, county.

Courses of study, public and private high schools, 25-26.

Crippled children, city school systems, 150.

Day schools, city school systems, 73-75, 94-115, 227-245, 287-294.

Deaf, schools, 665-693; city school systems, 151, 156-159.

Degrees, teachers colleges, 487-489; universities, colleges, and professional schools, 296, 298, 305, 314-319.

Delinquents, industrial schools, 729-750.

Denominational schools, secondary, 605.

Dentistry, universities, colleges, and professional schools, 310-311.

Elementary and secondary schools, State school systems, 32-33.

Elementary schools, city school systems, 123-143; State school systems, 66.

Engineering, universities, colleges, and professonal schools, students, 312-313.

Enrollment, age-grade in cities, 17; city school systems, 94-115, 123-143; estimated cost of schools, 2-3; junior high schools, 144-147; private and parochial schools, 37; school and college, 2; State school systems, 35-36, 38, 69-70, 72; summary, 5-8, 35-36. *See also* High schools (private); High schools (public); and Negroes.

Entrance requirements, city normal schools, 515; county normal schools, 518-520; private normal schools, 524-525; State normal schools, 498-499.

Evening schools, city school systems, 170-181.

Expenditures. *See under different school systems, schools, and institutions of higher education.*

Expenses, city school systems, 208-226, 266-286.

Extension courses, universities, colleges, and professional schools, students, 313.

Federal aid for vocational education, 53-54.

Federal Government, income from, State school systems, 53-54.

Feeble-minded children, schools, 707-728.

Fellowships and scholarships, universities, colleges and professional schools, 320, 330, 357-360, 418-436.

Fellowships and scholarships, universities, colleges, and professional schools (publicly controlled), 325, 357-360.

Fellowships and scholarships, universities, colleges, and professional schools (privately controlled), 418, 436.

General control, payments, State school systems, 58-59.

Gifted children, city school systems, 153.

Gifts and bequests to education, summary, 3. *See also* Benefactions.

Graduates. *See under different school systems, secondary schools, and institutions of higher education.*

High schools (city school systems), aggregate attendance, days, 123-143; average daily attendance, 123-143; enrollment, 123-143; number, 123-143; supervisors and principals, 123-143; teachers, 123-143. *See also* Junior high schools; Junior-senior high schools; Senior high schools; Secondary schools.

High schools (private), classification according to sex of students, 612; distribution of students, 605; enrollment of 100 or more pupils, 633-651; graduates, 608-609, 613; instructors, 606-607, 613; military drill, 606-607; Negroes, 615, 652-656; religious demoninations, 605; review of statistics, 603-604; students, 610-611, 613-614; students pursuing certain studies, 616-632.

High schools (public), enrollment, 533, 540-558; graduates, 559-572; military drill, 573-576; number, 123-143; property, 577; review of statistics, 534; students, 535, 553-558; students pursuing certain studies, 578-601; survival percentages, 535; systems of control, and units required for graduation, 573-576; teachers, 536-539. *See also* Junior high schools; Junior-senior high schools; Senior high schools; Negroes; Secondary schools.

Illiteracy, industrial schools for delinquents, 729-730.

Income, State school systems, 52-56.

Incorrigible children, city school systems, 154, 156-159.

Indebtedness, State school systems, 49.

Instruction, payments, State school systems, 58-59.

Junior high schools, 76, 144-147, 536-537, 547-549. *See also* Senior high schools; Negroes.

Junior-senior schools, 550-551.

Kindergartens, 657-663; city school systems, 116-122; enrollment, 5.

Law, students in universities, colleges, and professional schools, 310-311.

Maintenance, State school systems, 60-61.

Medicine, students in universities, colleges, and professional schools, 310-311.

Mentally defective, city school systems, 152-153, 156-159.

Military drill, private high schools and academies, 606-607; public high schools, 573-576.

Negroes, junior high schools, 548, 551; public high schools, 542-543, 546; private high schools and academies, 615, 652-656; State school systems, 69, 70-72; teachers in high schools, 537-538;

Night schools, city school systems, 75, 287-294.

Normal schools, review of statistics, 459. *See also* Teachers colleges.

Normal schools (city), 163-165, 515; entrance requirements, 515.

Normal schools (county), entrance requirements, 518-520; expenditures, 521-523; personnel and property, 478, 523; receipts and expenditures, 471, 521-523; sessions, 518-520; students, 518-520; teachers, 518-520.

Normal schools (private), entrance requirements, 524-525; expenditures, 486, 530-532; graduates, 524-525; instructors, 480-481, 526-527; property and receipts, 484-485, 530-532; sessions, 524-525; students, 482-483, 528-529.

Normal schools (State), colored teachers, 69; enrollment, colored pupils by grades, 72; expenditures, 474-475, 511-514; graduates, 468-469, 498-501; income, 507-510; instructors, 468-469, 502-504; property, 472, 507-510; receipts, 479; sessions, 498-501; students, 470-471, 504-506.

One-room schools, State school systems, 46.

Parochial schools, enrollment, 37.

Part-time schools, city school systems, 166-169, 287-294.

Pharmacy, students in universities, colleges, and professional schools, 310-311.

Population, cities, 94-115.

Population (total) and school population, per cent enrolled at different dates, 39.

Principals. *See under* City school systems; State school systems; Junior high schools; Junior-senior high schools; Senior high schools.

Private and parochial schools, enrollment, 37.

Private high schools, property, 606-607.

Private schools, enrollment, 94-115.

Professional courses, students in universities, colleges, and professional schools, 310-311.

Professional schools, summary, 29-30. *See also* Universities, colleges, and professional schools.

Professors and instructors. *See under secondary schools, and institutions of higher education.*

Property, school, value, 9. *See also under different school systems, schools, and institutions of higher education.*

Public high schools. *See* High schools (public).

Receipts. *See under different school systems, schools, institutions of higher education, etc.*

Religious denomination, secondary schools, 605.

Revenue receipts, State school systems, 50.

Scholarships. *See* Fellowships and scholarships.

School attendance, city school systems, 287-294; State school systems, 42.

School buildings, city school systems, 94-115.

School funds, State school systems, 64-65, 48.

School funds (permanent), State school systems, 51.

School lands, State school systems, 48, 51, 64-65.

School nurses, city school systems, 80-93.

School physicians, city school systems, 80-93.

School plant, city school systems, 60-61, 246-264; State school systems, 60-61.

School term (State school systems), average length, 42; white and colored, 69.

Secondary schools, city school systems, 123-143; State school systems, 66.

Secondary schools, public and private, 20-26.

Senior high schools, 536-537, 552. *See also* Junior high schools; Junior-senior high schools; Negroes.

Sinking funds, State school systems, 49.
Special schools (city school systems), anemic children, 148; blind children, 148, 156-159; crippled children, 150; deaf children, 151, 156-159; feeble-minded children, 152, 156-159; gifted children, 153; incorrigible children, 154, 156-159; tubercular children, 155.
State school systems, 9-15, 31-72; administrative officers, 43; analysis of revenue receipts, 50; attendance, 64-65, 69, 71; average length of school term and school attendance, 42; average daily attendance and aggregate number of days attended, 40; buildings, 46; colored teachers, 69; comparative statistics, 31; consolidated schools 46; elementary and secondary schools, 32-33, 66; enrollment, 35-36, 38; enrollment of pupils by grades, 67-68; enrollment of white and colored school population, 69-70; expenditures, 57, 62-63; income from appropriation and taxation, 52; income from Federal Government, 53-54; indebtedness, sinking funds, and payments on indebtedness, 49; nonrevenue receipts, 55-56; one-room schools, 46; payments for general control and instruction, 58-59; payments for operation of school plant, maintenance, and capital outlays, 60-61; property, value, 47; pupils, 66; distribution by grades, 34; receipts from permanent school funds and leases of school lands, 51; school funds, 48, 64-65; school lands, 64-65; school term, white and colored pupils, 69; supervisors and principals, 43; teachers, number and sex, 44; teachers of colored schools, 71; teachers' salaries, 45; white and colored school population, enrollment, 69.
